MORNING NEWS

US, Iran talks conclude in Doha, focused on Strait: (Economy: Neutral to Positive)
Iran and the United States concluded a round of indirect talks on Wednesday with no sign they had made headway toward a lasting peace, focusing instead on issues that they had supposedly resolved two weeks ago. Sources said negotiators for the two countries spent two days in Doha discussing maritime traffic in the Strait of Hormuz and financial incentives for Iran, two pillars of the initial agreement they signed in June, rather than more difficult topics that framework was supposed to tee up. But sources said the nuclear program did not come up in the talks, which were technical in nature.

Oil falls as US-Iran talks cool supply concerns: (Economy: Positive)
Oil prices fell roughly two per cent on Wednesday to their lowest levels since February as optimism over US-Iran talks allayed supply concerns after US President Donald Trump said meetings in Qatar had gone well. Brent futures were down \$1.69, or 2.3pc, to \$71.26 a barrel at 1:41pm ET (1741 GMT). US West Texas Intermediate crude was down \$1.31, or 1.88pc, at \$68.19 a barrel. Both benchmarks were at their lowest levels in more than four months.

June inflation rises 11.1% YoY: (Economy: Neutral to Positive)
Pakistan's headline Consumer Price Index (CPI) inflation came in at 11.1% year-on-year (YoY) in June 2026, down from 11.7% in May 2026 but still sharply higher than the 3.2% recorded in June 2025, data released by the Pakistan Bureau of Statistics (PBS) showed. On a month-on-month (MoM) basis, inflation decreased 0.3% in June, reversing a 0.5% increase in May and a 0.2% rise in the same month last year.

WB advocates for 'overhaul' of NFC Award: Fiscal imbalances: (Economy: Neutral to Positive)
The World Bank has warned that Pakistan's current fiscal federalism system has created a persistent structural imbalance in public finances, urging a comprehensive overhaul of the National Finance Commission (NFC) award to align spending responsibilities with revenue generation, strengthen provincial tax collection and empower local governments.

Efforts accelerated to set up domestic carbon market, ETS: (Economy: Neutral to Positive)
Pakistan is accelerating efforts to establish a domestic carbon market and an emissions trading system (ETS) as mounting pressure from the European Union's Carbon Border Adjustment Mechanism (CBAM) threatens to increase export costs, particularly for carbon-intensive industries, according to an Asian Development Bank (ADB) report. The EU's CBAM, which is being fully integrated with the EU Emissions Trading System (ETS) by 2026, will levy carbon charges on imports of products such as steel, cement and aluminum, while Pakistan's textile sector — the country's largest export industry — is also expected to come within its scope by around 2030.

Climate Support Levy increased to Rs5/litre: (Economy: Neutral)

The Petroleum Division on Wednesday adjusted the levies on petroleum products by reducing the Petroleum Levy (PL) on petrol and high-speed diesel (HSD) by Rs2.50 per litre each, while increasing the Climate Support Levy (CSL) by the same amount. On the other hand, the Climate Support Levy on both petrol and high-speed diesel has been increased from Rs2.50 per litre to Rs5.00 per litre, effectively offsetting the reduction in the Petroleum Levy.

FESCO & GEPCO sell-offs: EOIs deadline extended: (Economy: Neutral)

The Privatisation Commission has extended the deadline for the submission of Expressions of Interest (EOIs) from investors seeking to participate in the privatisation of the Faisalabad Electric Supply Company (FESCO) and the Gujranwala Electric Power Company (GEPCO) under the government's Batch-I DISCOs privatisation programme. FESCO: August 7, 2026, GEPCO: August 21, 2026. However, the deadline for the submission of EOI for the Islamabad Electric Supply Company (IESCO) remains the same, which is September 7th, 2026.

Govt to invest above Rs8bn in footwear sector upgrade: (Economy: Neutral to Positive)

The government is set to invest Rs8.4 billion over five years to overhaul Pakistan's footwear industry through the upgradation of the Pakistan Institute of Fashion and Design (PIFD) and allied training institutions, which currently lack the equipment, curricula and international linkages needed to meet global standards. The project will be led by the Ministry of Industries and Production through the Small and Medium Enterprises Development Authority (SMEDA), with NAVTTC, TEVTAs and other training institutions serving as key executing partners. The initiative centres on footwear manufacturing, design and skills development, APP reported.
