Govt hikes levy on petrol, HOBC, HSD: (Economy: Negative)

The government on Thursday increased the Petroleum Levy (PL) on petrol by Rs4.62 per litre and high-speed diesel (HSD) by Re0.80, effectively denying consumers any relief as it opted to maintain the existing pump prices for the next fortnight. The PL on High Octane Blending Component (HOBC) was also raised by Rs4.62 per litre, pushing the total PL on petrol and HOBC from Rs79.62 to Rs84.27 per litre. The PL on HSD has risen to Rs76.21 per litre from Rs75.41. In addition, the government continues to collect a Climate Support Levy (CSL) of Rs2.50 per litre on petrol, HSD and HOBC. Consumers of kerosene and light diesel oil also face a PL of Rs20.36 and Rs15.84 per litre, respectively. Fuel prices are further impacted by the Inland Freight Equalization Margin (IFEM), which stands at Rs8.97 per litre on petrol and Rs7.25 per litre on HSD.

Pakistan urges restraint amid increasing Iran-US tensions: (Economy: Neutral)

Expressing deep concern about recent warnings from US President Donald Trump about potential action against Iran, Islamabad has called on all parties to "exercise restraint, act responsibly" and resolve disputes over Iran through peaceful dialogue, hoping for an early normalisation of the situation. Speaking at a United Nations Security Council meeting on "The Situation in the Middle East (Iran)" on Thursday, Pakistan's Permanent Representative to the UN, Ambassador Asim Iftikhar Ahmad, said disputes must be resolved through peaceful means and in line with the international law. He remarked that continued hostilities, unilateral actions and the use of force would move the world further away from solving key issues and cause unnecessary humanitarian suffering.

Pakistan-Saudi-Turkiye defence deal in pipeline, minister confirms: (Economy: Neutral)

Pakistan, Saudi Arabia and Turkiye have prepared a draft defence agreement after nearly a year of talks, Defence Production Minister Raza Hayat Harraj confirmed on Wednesday. His confirmation follows a statement by the Turkish foreign minister about the potential deal earlier today. Harraj told Reuters the potential deal between the three countries was separate from a bilateral Saudi-Pakistani accord announced last year. A final consensus between the three states is needed to complete the deal, he said. "The Pakistan-Saudi Arabia-Turkey trilateral agreement is something that is already in pipeline," Harraj said in an interview. "The draft agreement is already available with us. The draft agreement is already with Saudi Arabia. The draft agreement is already available with Turkey. And all three countries are deliberating. And this agreement has been there for the last 10 months."

CPF levels below target: World Bank urges Pakistan to fast-track private investment: (Economy: Negative)

The World Bank has urged Pakistan to fast-track private investment, warning that current levels remain well below targets set under the Country Partnership Framework (CPF) 2026-35. The Bank also proposed a results-based approach anchored in clear policy milestones, measurable performance indicators, and targeted technical assistance to accelerate implementation and unlock investment. Federal Minister for Finance and Revenue, Muhammad Aurangzeb, held a meeting on Thursday with Bolormaa Amgaabazar, Country Director, World Bank Pakistan, along with their respective teams, to review ongoing collaboration and discuss priority areas under the World Bank's CPF with Pakistan. Private investment remains stuck at around 10 percent of GDP, far below 20–25 percent in India and Bangladesh, while exports have declined from 16 percent of GDP in the 1990s to about 10 percent today.
