MORNING NEWS

US optimistic about Iran talks 'this week': (Economy: Neutral to Positive)

Trump says resumption of negotiations in Islamabad possible within '36 to 72 hours'; appreciates Tehran for stopping 'execution' of detained women. Pezeshkian welcomes dialogue, cites 'breach of commitments, blockade and threats' as main obstacles. Trump denies media reports about deadline, says 'no time pressure' surrounding ceasefire.

Oil prices jump \$3 a barrel: (Economy: Negative)

Oil prices jumped by more than \$3 on Wednesday after a surprise gasoline and distillate stock draw in the US, and prices got a further boost from reports of gunfire attacks on at least three container ships in the Strait of Hormuz and a lack of progress in peace talks between the US and Iran. Brent crude futures were up \$3.32, or 3.37pc, at \$101.80 a barrel at 12:50pm EDT. WTI futures were up \$3.61, or 4.03pc, to \$93.28. Both benchmarks climbed about 3pc on Tuesday.

IMF urges removal of non-tariff curbs: (Economy: Neutral to Positive)

Pakistan has assured the International Monetary Fund (IMF) that it would review more than 2,660 non-tariff barriers that discourage imports, and many of these will be removed soon, including those restricting the import of mobile phones and cars. Barriers such as low priority in giving foreign exchange for car imports and linking mobile phone functionality to approval by the Pakistan Telecommunication Authority may be removed in June, said the sources.

Govt, ADB sign Rs365bn M6 deal: (Economy: Neutral to Positive)

The government and the Asian Development Bank (ADB) on Wednesday signed a landmark agreement to finance the Rs365 billion Sukkur-Karachi Motorway (SKM) project (M6), the only missing link in the motorway network from Karachi to Peshawar and the northern areas. Communications Minister Abdul Aleem Khan welcomed the signing of a strategic agreement between the ADB and the National Highway Authority (NHA) to build the M6 motorway, and congratulated the nation on this significant milestone.

<https://www.dawn.com/news/1994250/>

Govt orders probe into costly off-grid power purchases by Discos: (Economy: Neutral)

Amid public outcry over high electricity tariffs and prolonged loadshedding, the government on Wednesday said it had uncovered instances of distribution companies (Discos) purchasing expensive power outside the national grid in violation of the economic merit order. According to an official statement, the Discos were purchasing electricity from small power producers (SPPs) and captive power plants (CPPs) through bilateral contracts at rates higher than the national tariff, thereby bypassing the national grid and the Independent System and Market Operator (ISMO).

<https://www.dawn.com/news/1994213/>

Plastic prices surge 70% on supply shortage: (Economy: Negative)

Prices of plastic products across Pakistan have surged sharply in recent weeks, driven by supply disruptions and volatility in petroleum-linked raw materials, affecting a broad range of everyday consumer goods. Industry representatives say the price of plastic resin, a key petroleum-derived raw material, has risen steeply following import constraints linked to geopolitical tensions, including the ongoing illegitimate US-Israeli war against Iran.

<https://tribune.com.pk/story/2604254/plastic-prices-surge-70-on-supply-shortage>

SECP approves IPOs of Sitara Petroleum, LSE SPAC-I: (Economy: Positive) (PSX: Positive)

The Securities and Exchange Commission of Pakistan (SECP) has approved two more Initial Public Offerings. These include Sitara Petroleum Service Limited and LSE SPAC-I. Both will be listed at the Pakistan Stock Exchange. Despite ongoing regional tensions and an uncertain geopolitical environment, the continued flow of IPOs shows the resilience of the PSX.

ARL shuts main crude plant amid road closures: (Economy: Negative) (ATRL: Negative)

In a major setback, Attock Refinery Limited (ARL) — the only oil refinery in the north of the country — has been forced to shut down until restoration of ongoing road closures taken under security measures ahead of the possible US-Iran talks. The refinery is the only such facility catering to the fuel requirements of almost all of central and northern Punjab, as well as Khyber Pakhtunkhwa, Azad Jammu and Kashmir and Gilgit-Baltistan.

<https://www.dawn.com/news/1994249/>

Stacks, Bank of Punjab sign MoU to explore blockchain remittances: (Economy: Positive) (BOP: Positive)

Stacks and the Bank of Punjab (BOP) have signed a strategic memorandum of understanding (MoU) to explore digital solutions aimed at improving Pakistan's remittance system and broader financial ecosystem. Under the partnership, Stacks will contribute its technology capabilities while BOP will provide banking infrastructure, with the aim of enabling faster, more secure and more transparent cross-border payments for overseas Pakistanis.
